## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

2. Claims 24-52 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. The specification does not provide support for free of ethanol or alcohol in the free form. Further clarification and/or correction is required.
3. Claims 53-55 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for a composition without ethanol or alcohol, does not reasonably provide enablement for a method of making a composition that may include ethanol or alcohol. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention commensurate in scope with these claims.
4. Claims 56 & 57 allowed.

### ***Response to Arguments***

5. Applicant's arguments, see remarks, filed 2/25/2005, with respect to the application of the Surbled reference have been fully considered and are persuasive. The rejection of the claims has been withdrawn.

Art Unit: 1743

6. Applicant's arguments, see remarks, filed 2/25/2005, with respect to the rejection(s) of the claim(s) under 35 USC 112 2<sup>nd</sup> paragraph have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of the newly added claim limitations as discussed above in paragraph 2.
